Umbrella Group Registration

Ashreinu is registered with the Maryland State Department of Education to supervise home instruction under regulation .05 of the home instruction regulations, COMAR 13A.10.01 Home Instruction. The annual membership fee allows you to take classes or participate in field trips or other activities. If you would like to be registered with Ashreinu to supervise your homeschool program, there is an additional registration fee of \$18 per child.

Homeschool program supervision requires two meetings per year to ensure your student is receiving regular, thorough instruction during the academic year in the studies usually taught in the public schools to students of the same age.
